ABOUT US

Learning Edge India Pvt. Ltd. has solidified its presence in the education sector over the past twenty years, branching out into preschools, corporate childcare, and K-10 educational institutions. The Teacher Training Academy (LETTER) stands out as a division dedicated to providing top-notch training programs and diploma courses for aspiring and seasoned educators alike. LETTER's courses cater to a diverse audience, including recent graduates, career changers, homemakers, and experienced teachers. With a focus on blending theory with practical experience, Learning Edge aims to empower individuals to become effective and compassionate educators, capable of positively impacting their students' lives.

A+ Accreditation from Bharat Sevak Samaj

The Bharat Sevak Samaj (BSS) is a national development agency promoted by the Planning Commission, Government of India which aims to promote vocational education and training.

All LETTER programs have received an A+ accreditation from Bharat Sevak Samaj (BSS).

Such an accreditation signifies that the course meets specific criteria related to curriculum, teaching methodology, infrastructure, faculty qualifications, and assessment methods. It serves as a stamp of approval, signalling that the course has undergone a rigorous evaluation process and is of high quality.

A consequence of the A+ accreditation from BSS for this diploma course is four-fold
